Elective 1		
Elective 2		
Elective 3		

- The courses you selected above may or may not be available for scheduling.
- High School courses are offered to students based upon the number of students requesting the course and the number of teachers assigned to Navarre High School. Sometimes courses are eliminated from the Master Schedule due to lack of requests for that course.
- Therefore, **all students must select THREE Alternative Elective Courses**. If a course is not offered or doesn't fit in a student's schedule, the guidance office will assign an alternative elective to your schedule in the order that you list your alternatives. Do not use courses you have chosen at the top of this card.
