Happy Thanksgiving!

Hello Raiders!

With November being the month for Thanksgiving, I would like to inform you guys about a new program that was implemented at the start of the 2021-2022 school year. Manna Food Pantries has partnered with the Santa Rosa County Sheriff's Office School Resource program to provide food for students who may be in need throughout the school day. Every month, Manna Food Pantries will provide me with quick snacks that may be issued to anyone that is need. If you or anyone you know may need some extra food, they can come see me in my office or at student services. Another good resource for food throughout the day is with Mrs. Parsley, our current school social worker.

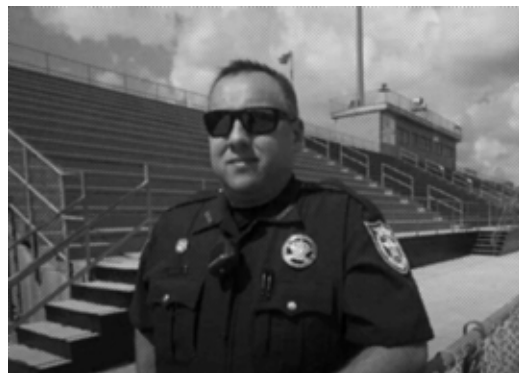

A few reminders about parking:

1. Please do not park on campus if you do not have a Navarre High School Parking Permit.
2. Do not park in painted reserved spots.
3. Backing in to a parking spot is not permitted.
4. No parking is permitted behind the baseball fields or around the back of the school.

All violators maybe ticketed.

Everyone have a great Thanksgiving holiday!
As always, It's greater to be a Raider,

Deputy Austin
