Fall Sports is back at Navarre High School!

Hello Raiders!

Thank you for starting this school year with a great first month! We were lucky the two storms did not affect our area besides giving us two extra days off! I must say, the painted Senior Parking spots were a big success. I was very impressed with all the work this year's Seniors and family members put into their spaces. Please remember to park in spaces not designated as Faculty Area and Senior Painted Spots. This month, I will begin monitoring the parking lot. Any violations to the parking regulations will be issued a Navarre High School parking citation. Please follow the rules while parking on campus.

This month I would like to go over the expectations we have at Navarre High School from our students while attending our home football games!

Our home football games start at 7:30pm but our gates to come into our stadium open at 6:00pm. Remember before coming to a home game you must purchase a ticket online at gofan.co. Before entering the front gates, have your phone with the app ready to show your virtual ticket to staff members working at the front gate. Make sure that you remember to leave all bags outside of the stadium. If you are seen with a bag, you will be asked to leave the game and purchase another ticket if you wish to re-enter the stadium. Covid-19 is still making a big impact at our school. Remember masks are still highly encouraged while attending our football games. Big crowds in the stadium will be asked to disperse and move to a seat in the bleachers. We also have other fall sports as well, such as girls' volleyball. The same rules apply in the gym while attending their home games.

As always, it's greater to be a raider!
